

of Palos Park

- Secluded estate home development in Palos Park Illinois.

- This boutique development will consist of ten half acres parcels tucked away in a private wooded setting.

- Jeanes Construction Company, Inc. will be offering custom home-lot packages with single family homes starting at 3000 square feet.

- Each home will have the elegance of exterior brick, a fabulous interior layout with custom fixtures and exquisite landscape design.

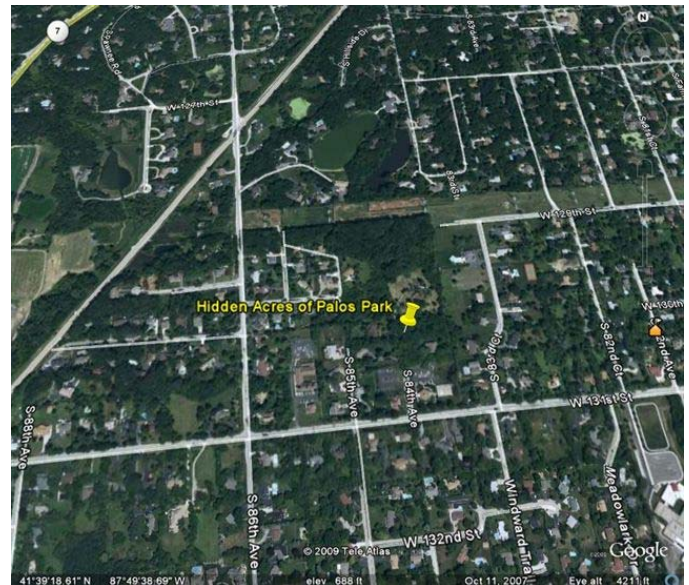

The Village of Palos Park is a charming, bedroom community nestled in the midst of dense wooded land.

Palos Park is wonderful place to live in a natural environment. This town is known for its profound natural features, where hills, creeks, and ravines abound. Large, aged oak trees line the streets and properties.
