

Fort Myers Gateway Commercial/Industrial

Currently in development, Fort Myers Gateway Commercial will consist of 135,000 square feet of truck well distribution space with four independently developed outparcels a total of 6.41 acres.

Fort Myers Gateway Commercial is strategically located just off of Interstate 75 in Lee County, a perfect location in SW Florida between Charlotte and Collier counties. This interstate corridor location is suited for a wide variety of retail/restaurant locations and distribution in SW Florida.
